

Anything

KeKe Wyatt

Don't you know
That I would do
Anything for you, boy, I promise
Cross my heart and I hope to die
If I don't
Oh, I'll be the one holding your hand
When you're nervous
Telling you it's gonna be alright

As long as you remember
That I will
Do anything
For you, baby
Doesn't matter if there is danger
I'm here
To save the day
For you, baby

Doesn't matter how far I gotta go
Or what I gotta do
(I'll do anything for you)
And if it takes me giving you my last breath
I'll take the death
(I'll do anything for you)
I'll do anything for you

I don't care
If you needed a heart
I'm the first name down on the donors' list
Don't be afraid, baby boy
I'm just thinking about our kids
Why, I'd rather be gone, leave you here
'Cause you mean the world to them
Just like you mean to me

As long...

As long as you remember
That I will
Do anything
For you, baby
Doesn't matter if there is danger
I'm here
To save the day
For you, baby

Doesn't matter how far I gotta go
Or what I gotta do
(I'll do anything for you)
And if it takes me giving you my last breath
I'll take the death
(I'll do anything for you)
I'll do anything for you

I will
Do anything
For you, babe

Oh, I will
Do anything
For you, babe

Doesn't matter how far I gotta go
Or what I gotta do
(I'll do anything for you)
And if it takes me giving you my last breath
I'll take the death
(I'll do anything for you)
I'll do anything for you
