

# Anything But Me

Kellie Pickler

I ain't thinking 'bout tomorrow  
I wanna live for today  
I'm in love with the smile that's on my face  
I'm not worried about the road ahead  
Or what I've left behind  
I just wanna be free like a butterfly

I don't care we have in mind  
I don't care cause I ain't trying to be  
Anything but me  
I don't care if I win or lose  
If I could, I wouldn't choose to be  
Anything but me  
Anything but me  
I know I'll never be perfect  
And I ain't trying to be  
I've had to learn the hard way  
That that ain't me  
I wanna live in the moment  
Sometimes you don't need a plan  
I'll take whatever life gives me  
And I'll do the best I can

I don't care what they have in mind  
I don't care cause I ain't trying to be  
Anything but me  
I don't care if I win or lose  
If I could, I wouldn't choose to be  
Anything but me  
Anything but me

If the star that I've been wishing on  
Should fall out of the sky  
That don't been that I ain't gonna try

I don't care what they have in mind  
I don't care cause I ain't trying to be  
Anything but me  
I don't care if I win or lose  
If I could, I wouldn't choose to be  
Anything but me  
Anything but me  
Anything but me
