

Don't Close Your Eyes

Kellie Pickler

I know you loved her a long time ago
Even now in my arms you still want her, I know
But darling, this time let your memories die
When you hold me tonight don't close your eyes

Don't close your eyes, let it be me
Don't pretend it's her in some fantasy
Darling, just once let yesterday go
And you'll find more love than you've ever known
Just hold me tight when you love me tonight
And don't close your eyes

Maybe I've been a fool holding on all this time
Lying here in your arms knowing she's in your mind
But I keep hoping someday that you'll see the light
Let it be me tonight and don't close your eyes

Don't close your eyes, let it be me
Don't pretend it's her in some fantasy
Darling, just once let yesterday go
And you'll find more love than you've ever known
Just hold me tight when you love me tonight
And don't close your eyes

Don't close your eyes let it be me
And don't pretend it's her in some fantasy
Darling, just once let yesterday go
And you'll find more love than you've ever known
Just hold me tight when you love me tonight
And don't close your eyes
