

Big Mouth on TV

The Kelly Family

Long time ago
It was a very nice story
Nine mucky kids rocked
Their way to the top
But the money and fame drove
Some people insane

Well there's always going to be
A big mouth on TV
There is always going to be
Someone talking bad about me

Bla bla bla ...

There's a paparazi-man
Waiting outside my window
And according to the news
My brother just got wed
You see one man's opinion
Reaches out to a million
Oh a million a million

Well there's always going to be
A big mouth on TV
There is always going to be
Someone talking bad about me

Bla bla bla ...

Lalalalala ...
