Every Baby

The Kelly Family

```
Dmi F C

Dmi  Emi    G          Emi        F            Ami
         G
Dodo, dodo, dodo dodo... dodo, do do, dodo do... la da da da da
  da

        C              F          Dmi          G
R: Every baby needs a mama, needs a papa, close at hand
   Every baby needs a mama, needs a papa, to hold their hand

     C                    Dmi
1. I look in the eyes of a beautiful child
   Emi                 G
   They tell me more than words
     Emi                   F
   He reaches his hand and cries for something
   Ami                   G
   Oh I´ll give him all I have

R: Every baby needs a mama...

   C                 F
*: Birdies on the window,
        Ami             F
   see the birdies on my window
           C        Dmi
   If I could fly, oh baby,
             Ami  F
   then I would fly, ooh
   G
   oh believe in me

2. I´m holding his hand and giving my love
   Through happiness and sorrow
   And in no time, he´ll be a big boy
   Oh what a wonder of love

R: Every baby needs a mama...

   Every baby needs a mama, needs a papa, close at hand...
      F                    C
   oh little baby you´re not alone
```
