

Oh I gonna see the grandmother  
And I gonna see the grandfather  
'Cause they like me they really like me (that's right)  
'Cause she's gonna bake me an apple pie  
And he's gonna give me a color chalk  
'Cause I like that I really like that

Oh, oh, oh, they really like me  
They really like me  
They really like me because I came  
Because I came  
Because I came  
Because I came

Oh, oh, oh, oh  
And I gonna plant them a field of flowers  
And I gonna pick all the jungle fields  
Because I like them I really like them  
I gonna catch the biggest fish  
With grandfather for the grandmother  
'Cause I like her I really like her

Oh, oh, oh, you should give it a try  
For fishing with grandpa  
You should give it the try  
Baking with grandma  
Fishing with grandpa (girls)  
Baking with grandma (boys)

Oh, oh, oh, oh  
Ah, ah, ah, jumpy, jumpy tonight (oh, oh, oh, oh)  
Ah, ah, ah, jumpy, jumpy tonight (oh, oh, oh, oh)  
Ah, ah, ah, jumpy, jumpy tonight (oh, oh, ooooh)

Oh I gonna sit by the fire tonight  
And I'll sing a song of a bird I'm flyin'  
Oh I like that, I really like that  
I fall asleep in my grandmother's arms  
Dreaming her hand there in my hairs  
'Cause I like that, I really like that
