## Lies

## The Kelly Family

I never told you any lies, doing all your little chance Has main be all so much never be the same never again

He never told me any lies, he always tried to be so fair I declared the time or two he's just the man I love Can't you see

He never told us any lies, he always tried to be fair We declared the time or two he's just the man we love Can't you see

He never told me any lies, I forgive the time or two I'll give a big insure he's no longer alone As you can't see

He never told us any lies, so we'll forgive the time or two We'll give this big insure he's no longer alone As you can't see 3x

He never told us any lies 3x
