

Singing life
Is like walking on the road
You can fall, you can grow
Ohu oh uho

Well now I ask him what to do
He just stood up on me
I just stood up, walked the rest today

Singing life
Is like walking on the road
You can fall, you can grow
Ohu oh uho

Oh singing life
Is like walking on the road
You can fall, you can grow
Ohu oh uho

Oh mother I pray for us today
There's a love that he sees
Steady love, love he sees today

Well now I ask him what to do
He just stood up on me
And I, I just stood up walked the rest oh no

Singing life
Is like walking on the road
You can fall, you can grow
Ohu oh uho

A singing life
Is like walking on the road
You can fall, you can grow
Ohu oh uho

Singing life
Is like walking on the road
You can fall, you can grow
Ohu oh uho

Ohu oh uho, ohu oh uho
Ohu oh uho, ohu oh uho
Ohu oh uho
