

Please Don't Go

The Kelly Family

What made you change your mind
What made you leave my life
If you could tell me straight
I might never do it again
Please don't leave me
Please don't go...
Hey little sister don't cry
Come on hold your head up high
If you could be so brave
To let him go his way
Please don't leave me
Please don't go
Please don't leave me
I need you so
If you can't take my love
Or you can't take my soul
If you can't take my love
I'll learn to let you go
Bought a baby's dress one day
And hid it under my bed
(Oh yes she did...)
I never did act this way
(What's this way?)
Until I met you babe (Babe yeah)
Please don't leave me
Please don't go
Please don't leave me
I need you so
If you can't take my love
Or you can't take my soul
If you can't take my love
I'll learn to let you go
Please don't leave me
Please don't go
Please don't leave me
I need you so
