

# We Are the World

The Kelly Family

There comes a time  
When we Need a certain call

When the world must come together as one.  
There are people dying  
And it's time to lend a hand To life -  
The greatest gift of all.  
We can't go on pretending day by day  
That someone somewhere will soon make a change.  
We are all a part of God's great big family

And the truth  
You know

Love is all we need.

We are the world  
We are the children

We are the ones  
Who make a brighter day

So let's start giving.  
There's a choice we're making

We're saving our own lives. It's true  
We make a better days  
Just you and me.

Send them your heart

So they know that someone cares

And their lives will be stronger and free.  
As God has shown us  
By turning stone to bread

So we all must lend a helping hand.

We are the world ...

When you're down and out  
There seems no hope at all  
But if you just believe  
There's no way we can fall  
Let us realize that a  
Change will only come  
When we stand together as one.

We are the world ...
