

LOVE IS A COWBOY

Kelsea Ballerini

Rough around the edges, stops you in your tracks
Wrecks you in the worst way when it looks like that
Knocks you off the horse but it keeps you comin' back
Love is a cowboy, mm-mm

You can wrap your arms around it but you can't make it stay
All the bad ones say they're the good and all the good ones ride
e way
A little El Dorado and a little bit John Wayne
Love is a cowboy, mm-mm

Makes your heart feel like wild horses in your chest
Trying to catch, it's like tryna tame a wild, wild west
And when I'm with him, it's like ropin' the wind
Love is a cowboy, mm-mm

Take your dancin' in that neon, leaving you cryin' in it too
Yeah, gets ya drunk like whiskey and higher than the moon
So when you get that feelin', hold on to your boots
Love is a cowboy, mm-mm

It makes your heart feel like wild horses in your chest
Trying to catch, it's like tryna tame a wild, wild west
And when I'm with him, it's like ropin' the wind
Love is a cowboy, mm-mm

It'll make you feel like ooh, ooh, ooh, ooh, ooh
Or it'll leave you blue, ooh, ooh, ooh, ooh
No matter what you do, ooh, ooh, ooh, ooh
Yeah, love is a cowboy, mm-mm

It makes your heart feel like wild horses in your chest
Trying to catch, it's like tryna tame the wild, wild west
It's reckless and rugged, it's sweet and it's stubborn
Love is a cowboy, mm-mm

Yeah, and when I'm with him, it's like ropin' the wind
Love is a cowboy
