

# Roses

Kelsea Ballerini

You brought them to my door  
Stood there on the front porch  
That was the beginning  
We had those tires spinning  
Down on the green grass  
Outside of town  
Wild and free, never slowing down  
I thought I needed you like air

We burned hot, burned out, like a flame  
But in my head, you'll never fade

Yeah, we were classic  
My dress, your leather jacket  
Didn't know how good we had it  
But, boy, we had it  
14th of February, gotta feeling my heart still carries  
Yeah, we didn't know it  
Thought we could grow it  
Beautiful for a moment  
We were roses  
We were roses

You put one in my hair  
Danced in the middle of nowhere  
You and me all summer  
Bright and living color

My lips were red  
Your eyes were blue  
And I thought I saw forever in you

Yeah, we were classic  
My dress, your leather jacket  
Didn't know how good we had it  
But, boy, we had it  
14th of February, gotta feeling my heart still carries  
Yeah, we didn't know it  
Thought we could grow it  
Beautiful for a moment  
We were roses

The seasons had to change  
And like flowers they bloom and withered away

Yeah, we were classic  
My dress, your leather jacket  
Didn't know how good we had it  
It was so good while it lasted

Yeah, we were classic  
My dress, your leather jacket  
Didn't know how good we had it  
But, boy, we had it  
14th of February, gotta feeling my heart still carries  
Yeah, we didn't know it  
Thought we could grow it

Beautiful for a moment  
We were roses
