

WEATHER

Kelsea Ballerini

I've been thinkin' you've been thinkin' 'bout something else
Yeah, we felt perfect, now I'm nervous, can you even tell?
Did I wake you up on the wrong side of the bed?
Is there someone's body that you'd rather be laying with instead?

I'm so tired of your weather
Stormy when we're together
Yeah, we used to be sunny and 75
We were dancing, baby, rain or shine
Had my dress in your dresser
Now somehow, I need a sweater
How'd we go from summer to cold as ice?
Are we really lovers if you're changing your mind
Like the weather? (Weather, weather)
Uh-huh

Get in or get out
But honestly, right now, you're killin' my vibe
(Killin' it, killin' it, killin' it)
(Killin' it, killin' it, killin' it)
So, if you wanna stay stuck in the clouds
Keep 'em around but not in my sky
When it hits the fan, I don't know who you're gonna be
I'm not asking for much, just a little reliability

I'm so tired of your weather
Stormy when we're together
Yeah, we used to be sunny and 75
We were dancing, baby, rain or shine
Had my dress in your dresser
Now somehow, I need a sweater
How'd we go from summer to cold as ice?
Are we really lovers if you're changing your mind
Like the weather? (Weather, weather)

Baby, talk to me
Tell me what you need
Don't leave me hanging anymore

'Cause I'm so tired of your weather
Stormy when we're together
Yeah, we used to be sunny and 75
We were dancing, baby, rain or shine
Had my dress in your dresser
Now somehow, I need a sweater
How'd we go from summer to cold as ice?
Are we really lovers if you're changing your mind
Like the weather? (Weather, weather)
Like the weather? (Weather, weather)
