I'm Missin' Your Love

Kem

[adlib] baby
I'm thinkin' bout you
And that don't ease the pain
But I knew baby that the moment I started
Thinkin' bout you baby
That don't make it any easier
I said I wouldn't do it baby
Thought I could take you being gone
Thought I'd put my mind to it love
But I just couldn't make it on my own
And I'm breakin' down
I'm missin' yo' love baby
I'm goin' through it baby
Missin' yo' love baby
Who am I foolin' baby
I'm here without you girl
And that don't mean a thing
I'm here without you baby
Everything has changed
And I've tried to live with it baby
I have tried to give my love away
What does take to get you
Off my mind you know I try
I said I wouldn't do it baby yeah
I thought I could take you being gone
I thought I'd put my mind to it love yeah
But I just couldn't make it on my own
It's a sad sad song
I'm missin' yo' love babe
I'm goin' through it baby yeah
For your love baby yeah
Who am I foolin' when I say I don't miss you everyday
Yo' love is on my mind baby
I'm missin' yo' love each and every day
And I said I wouldn't do it baby yeah
Thought I could take you being gone
I thought I'd put my mind to it love yeah
You know I was wrong dead wrong baby
I'm missin' yo' love every day I can't eat baby
I'm missin' yo' love every night I can't sleep baby
For yo' love [adlib]
Missin' yo' love baby yeah
It's a sad sad song I'm missin' yo' love
