

Believe in Me

Ken Hensley

I opened up my heart today
And Jesus was inside
I thanked him for his presence there
And this was His reply

I am here, each and everyday
As you sleep and as you pray
I'll protect you and I'll love you
Just believe in me

I opened up my life today
And saw the highs and lows
And I prayed, my God forgive me
For the wrong roads that I chose

He said that's all behind you now
Through your faith in my own son
So believe in all that you will do
Don't repeat what you have done

For I'm with you each and every day
As you work and as you play
I'll protect you and I'll love you
Just believe in me

I opened up my eyes today
And Christ was all around
And I prayed, Oh Lord give me your song
And his voice came in a sound

I will give you words and melody
If you will give your life to me
And I heard this sweet reminder
Of his promise to me

I'll protect you and I love you
Just believe in me
