

Crying

Ken Hensley

I'm crying
From deep in my soul to the core of my heart
I'm crying

And I'm crying
For the door to close so I can make a new start
I'm crying

I'm trying
To understand it all, how I missed the call
I'm trying

And I'm dying
From the pain inside and all the tears I've cried
I'm dying

I wanna hold you again 'till the nightmare ends
Let our love wash away the lost years
I wanna kiss you again, I wanna kill the pain
And swim in the flood of our tears
But I can't do that now because
You're far away from me
I let you go somehow and now
It's much too late to see the light

One mistake, is that all it takes
To erase the love of my life
Seems insane that one moment's shame
Can wipe out all that I've done right
And I tried, how I tried
Still our love found a place to hide
And I've tried, God knows I've tried
Still our love left and died
