

Guard Your Heart

Ken Hensley

I can look in your eyes
And tell that there's pain deep inside
It's something that you can't disguise from me
You see, I've had my share
Of pain and sorrow to bear
We always believed we're the only one
But there's a voice deep inside
That says don't give up, keep on tryin'
You gotta...
Guard your heart
It is a treasure so treat it that way
You've gotta guard your heart
No need to hurry before you give it away

I know the way that you feel
You're thinking that this love is real
And without her life just can't go on
I know this feeling is strong
But you'll find that life still goes on
True love is a treasure Worth waiting for
So don't give up faith
You must remember to always pray
And it will ...
