

# I Don't Wanna Wait

Ken Hensley

I dont wanna wait until tomorrow I don't wanna wait another day  
I don't wanna live with all this sorrow I'll just have to find  
another way

Seeing as how you've kept me Hanging around for all this time P  
laying with my mind and leaving All our love behind But it's ti  
me for a decision Should I stay or should I go I need our love  
to grow But there's so much I wanna know

'Cause in my heart and in my head Are thoughts of how it just t  
o be But a world of memories Is only emptiness to me

I dont wanna wait until tomorrow I don't wanna wait another day  
I don't wanna live with all this sorrow I'll just have to find  
another way

And it's not a false illusion I can see what's going on If the  
magic's really gone Then this is not where I belong And I ask m  
yself the questions That confusion seems to bring While the ans  
wers stay so thin Upon the ground where I begin

'Cause in my heart and in my head Are thoughts of how it just t  
o be But a world of memories Is only emptiness to me

I dont wanna wait until tomorrow I don't wanna wait another day  
I don't wanna live with all this sorrow I'll just have to find  
another way

I dont wanna wait until tomorrow I don't wanna wait another day  
I don't wanna live with all this sorrow I'll just have to find  
another way
