

Tell Me

Ken Hensley

Tell me, tell me, tell me
Am I the one you love
Tell me, tell me, tell me
Is it me you're thinking of

Tell me, tell me, tell me, tell me
Tell me, tell me, tell me true

Please don't keep me waiting
Don't keep me hanging on
I'm through with mild persuading
I've been standing still too long

Tell me, tell me, tell me, tell me, tell me
All I'm trying to do is find the truth
All I'm asking you to do is help me
Just one time so I can make my move
