

# The Voice of Love

Ken Hensley

No matter where you are, you'll hear my voice  
Calling out to you  
What else can I do when my heart is beating  
Slightly out of tune?  
You will know the sound the voice of love  
So pure and crystal clear  
Trying to let you know that I've seen enough of  
Living without you here

Somewhere in my heart a fire is burning  
And the flame will never die  
While I watch the wheel of fortune turning  
And the long nights passing by  
Ain't it funny how the time seems to go so slow  
When you're looking through a crystal ball  
And I have to rely on the voice of love  
And hope you hear my call

So long ago, so far away  
So strong was the love that we shared  
And now I find myself standing here  
Seeing just how much I cared  
'Cause your love is the only love  
I'll ever want or need  
So listen to the voice of love, listen to my plea

A-ah, a-ah, the voice of love  
A-ah, a-ah, the voice of love
