The Voice of Love

Ken Hensley

No matter where you are, you'll hear my voice
Calling out to you
What else can I do when my heart is beating
Slightly out of tune?
You will know the sound the voice of love
So pure and crystal clear
Trying to let you know that I've seen enough of
Living without you here

Somewhere in my heart a fire is burning
And the flame will never die
While I watch the wheel of fortune turning
And the long nights passing by
Ain't it funny how the time seems to go so slow
When you're looking through a crystal ball
And I have to rely on the voice of love
And hope you hear my call

So long ago, so far away
So strong was the love that we shared
And now I find myself standing here
Seeing just how much I cared
'Cause your love is the only love
I'll ever want or need
So listen to the voice of love, listen to my plea

A-ah, a-ah, the voice of love A-ah, a-ah, the voice of love
