

Who Knows

Ken Hensley

Who knows who's to blame for it?
Who knows who will pay for it?
And who knows how it came to be
In whose name and by what decree?

Is there something out there
Bigger than you and me?
Is there something out there
That we can't see? Who knows?

Do you know what you're doing here?
What did you see in your father's tears?
Anything to show for all these years
Can you really hear a thing through the endless cheer?

There is something out there
Bigger than you and me
There is someone quite near
That we can see

Maybe I shouldn't think so much
Maybe I shouldn't care
Maybe I'm a little out of touch
Who knows? Who cares?

Who knows what's in store for us?
Who decides peace or war for us?
When god wants so much more for us
You decide who you're gonna trust

You wanna know who this hombre is
You wanna live in the light
You wanna feel the spirit's kiss
Even though you tried to take his life

Who knows? God knows...
