Who Knows

Ken Hensley

Who knows who's to blame for it? Who knows who will pay for it? And who knows how it came to be In whose name and by what decree?

Is there something out there Bigger than you and me?
Is there something out there That we can't see? Who knows?

Do you know what you're doing here?
What did you see in your father's tears?
Anything to show for all these years
Can you really hear a thing through the endless cheer?

There is something out there Bigger than you and me There is someone quite near That we can see

Maybe I shouldn't think so much Maybe I shouldn't care Maybe I'm a little out of touch Who knows? Who cares?

Who knows what's in store for us? Who decides peace or war for us? When god wants so much more for us You decide who you're gonna trust

You wanna know who this hombre is You wanna live in the light You wanna feel the spirit's kiss Even though you tried to take his life

Who knows? God knows...
