

Win or Lose

Ken Hensley

You heard some people say
Love will find a way
But then they stab your back
The very next day
What's this all about?
You begin to have your doubts
But when they do you wrong
That's when you become strong

Everybody's got a part to play, I know
Everybody's got something to say for sure
But when it comes to what part you play
You choose do you win or lose?

You say you've given up
You won't drink from that cup
Statistics say you're right
You've chosen not to fight
You're on a ship of fools
You're sailing out tonight
But deep in your heart
You know that I'm right

Sometimes I don't think we appreciate
What we've got until it is much too late
