

Dark Side Of Love

Kenny Wayne Shepherd

Don't wanna want you, baby
Don't wanna want you like I do
Don't wanna want you, baby
And watch you play me like a fool

I've seen the dark side of love before
Girl, it looks a lot like you

Well, if we're there for each other
Why does it feel so good?
I know we're bad for each other
Well, let's just say it's understood

I've seen the dark side of love before
Girl, it looks a lot like you

One of these days I'm gonna rise above
And never fall back again
One of these days I'll go a little too far
And the psycho done it again, no, no

One of these days I'm going to rise above
And never fall back again
One of these days I'll go a little too far
And the psycho done it again, no, no

Don't wanna want you, baby
Don't wanna want you like I do
Don't wanna want you, baby
And let you play me like a fool

I've seen the dark side of love before
Girl, it looks a lot like you
I've seen the dark side of love before
Girl, it looks a lot like you

I've seen the dark side of loving before
Girl, it looks a lot like you
