

Shame, Shame, Shame

Kenny Wayne Shepherd

Shame, Shame, Shame
Shame on me for ever loving you baby
Shame, Shame, Shame
Ah Shame on me for ever loving you baby
Now you came and you went
Whats this poor boy to do?

Lord knows I tried
But you took everything that I owned (which wasnt much)
Lord knows I tried
But you took everything that I owned
Oh hey now little girl I wonder
That your love to me was just on loan (cuz I think it was)

Shame, Shame, Shame
Shame on me for ever loving you baby
Shame, Shame, Shame
Ah Shame on me for ever loving you baby
Now you came and you went
Whats this poor boy to do?
