

# War

Kensington

So, cut my hands and pull my arms in  
All unforeseen but no surprise  
For all the men in all your armies  
Throw only bait that no one bites

Up and away we all go  
Into the way we run  
There you will find our stronghold  
Though you won't find our guns  
Up and away we all go  
Into the way we run  
There you will find our stronghold

We won't go to war

No we won't go to war  
No we won't go to war

Say, all your time is almost done here  
Waste all your light on other ones

Up and away we all go  
Into the way we run  
There you will find our stronghold  
We won't go to war

No we won't go to war  
No won't go to war  
No we won't go to war  
No won't go to war

We're getting away

No we won't go to war  
No we won't go to war  
(To deny it, To deny it  
Is to go when you know that you're in it)  
No we won't go to war  
No we won't go to war
