

Born Again

Keri Noble

Came from a mother the first time
I was told I didn't get it just right.
I needed to be born twice
Then I'd know I'd know
Where I'd go when I die.

So I got down on my knees
With my whole heart I cried, "Please."
But I don't think anyone heard me.

That's why I wanna be born again again.
Don't wanna a bath in blood don't wanna be forgiven.
Wanna be born again again.
To live my life I would rather take my chances.

You see I knew this boy at school
We laughed so much and all of his secrets I knew
But his father took him someplace new
Because he said to love a boy
Was something his son would not do.

So I got down on my knees
With my whole heart I cried, "Please."
But I don't think anyone heard me.

That's why I wanna be born again again.
Don't wanna a bath in blood don't wanna be forgiven.
Wanna be born again again.
To live my life I would rather take my chances.

You see the world it's a big place
Different colors and different faiths
I know it sounds elementary
But if it was so easy
Why does love seem so absent from preaching?

I want my life, oh yeah
And I'm gonna take every little one of my chances.
