

## How Does This Work

Kerser

They whack, they just copying Kers  
With a sloppier verse, I hit the top with earth  
Then I drop you it hurts, fuck you playing for cunt?  
I'll leave you all tied up, laid out in my trunk  
Straight out you a punk pussy bitch with a whack flow  
Couldn't offer 10 fuckin' mills for collab no!  
Wouldn't do it cause your raps make my ears bleed  
You should call your album no body should hear me  
Warn the public what you're giving to them  
Id rather listen to me take a fuckin' shit in a can  
You're fuckin' kidding me man  
Just give up with the rap  
All my fans call me king and I live up to that  
I get a fuckin' A+ if the rap was a test  
Dissing the Kers, well that's an appen offence  
Then you found somewhere tied up to a tree  
As I hit my fuckin' horn drive off lighten weed  
I'm like

They should just quit (they should just quit)  
It makes me sick (it makes me sick)  
They on the dick (they on the dick)  
Then try to diss (then try to diss)  
How does this work? (how does this work?)  
I must be first (I must be first)  
If you hate Kers (if you hate Kers)  
You're a fucking nerd (you're a nerd)

Don't really care about no ARIA  
When I get up for my speech I'mma laugh at ya  
I swear to god I'mma yell out ABK for life  
And if one person boos, man they're losing they life  
I gotta move it alright  
I'm fucking chasing a dream  
Came a long way, used to chase for a beam  
Don't you say that I'm mean though  
I couldn't give a rats ass  
Cunts talk shit, yea, only when they smash glass  
Fuck a fiends, they get jealous of Kers  
Look how far a cunt come  
I come up from the dirt  
You run up you get hurt  
You, him, him and her  
I ain't prejudice bitch  
Cop a beatin' from Kers! Damn  
First slams like a beat in your sub does  
Charging people money if they wanna touch us  
I don't know, did my ego grow man  
Bill my doctor for a time at the program

They should just quit (they should just quit)  
It makes me sick (it makes me sick)  
They on the dick (they on the dick)  
Then try to diss (then try to diss)  
How does this work? (how does this work?)  
I must be first (I must be first)  
If you hate Kers (if you hate Kers)

You're a fucking nerd (you're a nerd)

Off my guts on a regular basis  
Popping pills cause I look like a face lift has just occurred  
Now they think I'm using Botox I said its just the kers  
She offered me a blow job  
What the fuck with the sluts today  
I hear there ATM but she passed away  
Half way through like what the fuck should I do  
Left her laying there dead as I done up my shoes  
I'm a nice guy right I don't need your approval  
Sent the nudes around on the same day as the funeral  
I'm beautiful, fuck what a cunt think  
I take drugs cause it helps me to unthink  
About the fucking future with strays he's strapped  
He'll shoot ya  
Abk 225 that's the crew bruh got the whole rap game held in a manoeuvre

They should just quit (they should just quit)  
It makes me sick (it makes me sick)  
They on the dick (they on the dick)  
Then try to diss (then try to diss)  
How does this work? (how does this work?)  
I must be first (I must be first)  
If you hate Kers (if you hate Kers)  
You're a fucking nerd (you're a nerd)
