

If A Pill Popper Could

Kerser

Say I'm hot but she think I'm coughin' (Who, me?)
Bad bitch said pick a [?] (Oh, I see)
Ain't none like me before
They know they lost, they can see the score (What's up bitch?)
Who else as smooth as this?
If I had a clone, he couldn't do this shit
Wanna move with this, get a groupie bitch
Make her suck me off and clean my missus' shoes and shit
True lunatic, man, I used to tick
Up every single dealer that I knew, legit
I was a bummy cunt, lookin' hungry cunt
Now I'm like "Take a look at what the money does"
True hustler, push rap like a drug deal
Prob'ly tell you how your dream girl muff feels
Style you love, I prob'ly create it
It's Kers, I could never in my life be outdated
Purple in my drink, pop a pill on [?]
Top of the game, nothin' short of amazin'
Weavin' out props, got you props or probably
Otherwise, shots ringin' off on your property
She badly in love, stashin' drugs in her pigtails
Smokin' on kush, more relief when I inhale
Sunnies on just to hide my eyes
Hear my own song back like I might be fried
God

How many pills could a pill popper pop
If a pill popper could pop pills
Let's see
Let's see
How many bitches would a sick cunt fuck
If the bitches got the sick cunt, yuck
Not me
Not me

You don't like me, well, I don't like you
She ain't your bitch when she with my crew
I'm Mr Smooth, got hits for sure
I've seen mates got rich from a crystal ball
I must have missed the call in the studio
I popped so many pills, it made me stupid bro
Still got super flows, let me switch it up
The call me Kers, also known as the sickest cunt
Right then, prob'ly set another nine trends
Poppin' benz' in a Benz, poppin' with my friends
Thinkin' like when did this vision incline, man?
'Cause I remember wishing for positions I climbed in
There you go, there's a switch for ya
I got your missus still sendin' me pictures, uh
I'm in public, smokin' up the kush, high
So much smoke, they're gonna blame me for the bushfires
'Cause it's me, man, they say I'm the bad one
I'm the rapper that they all got their swag from
Brag on, I had tyres in the fashion biz
Looked around like I'm really what the fashion is
Sponsorship, had 'em mad when I got mine
Kerser made Nautica get a stock rise

Brag heavy but you can when it's all facts
Prob'ly get my pills from the same place you score at

How many pills could a pill popper pop
If a pill popper could pop pills
Let's see
Let's see

How many bitches would a sick cunt fuck
If the bitches got the sick cunt, yuck
Not me
Not me
