

Your Love Is My Drug

Ke\$ha

Maybe I need some rehab
Or maybe just need some sleep
I got a sick obsession
I'm seeing it in my dreams
I'm looking down every alley
I'm making those desperate calls
I'm staying up all night hoping hitting my head against the wall

What you got, boy, is hard to find
I think about it all the time
I'm all strung out, my heart is fried
I just can't get you off my mind!

Because your love, your love, your love is my drug
Your love, your love, your love
(I said)
Your love, your love, your love is my drug
Your love, your love, your love

Won't listen to any advice
Mamma's telling me I should think twice
But left to my own devices,
I'm addicted - it's a crisis
My friends think I've gone crazy
My judgment's gettin' kinda hazy
My sleaze is gonna be affected
If I keep it up like a love sick crack head

What you got, boy, is hard to find
I think about it all the time
I'm all strung out, my heart is fried
I just can't get you off my mind!

Because your love, your love, your love is my drug
Your love, your love, your love
(I said)
Your love, your love, your love is my drug
Your love, your love, your love

I don't care what people say
The rush is worth the price I pay
I get so high when you're with me
But crash and crave you when you leave

Hey, so I got a question
Do you wanna have a slumber party in my basement?
Do I make your heart beat like an 808 drum
Is my love your drug?
Your drug?
Huh, your drug?
Huh, your drug?
Is my love your drug?

Because your love, your love, your love is my drug
Your love, your love, your love
(I said)
Your love, your love, your love is my drug

Your love, your love, your love

Because your love, your love, your love is my drug

Your love, your love, your love

(I said)

Your love, your love, your love is my drug

Your love, your love, your love

Hey, hey, so

Your love, your love, your love, your love is my drug

I like your beard
