

# I Hope U Cry

Keshia Chanté

I gave you everything but was it enough  
Can't believe how you neglected my love (wish I would see)  
Wish I woulda seen you for who you are (baby I was just a fool  
)

Baby I was just a fool in love (what was I thinking of)

You say you, found somebody new (now you don't want me, noo ohh  
)

Hope she do, the same thing to you (I hope that she makes you)

Cry (cry), Cry (cry), Cryyyy cryyyy  
Cry (cry), Cry (cry), Cryyyy cryyyy  
Cry (cry), Cry (cry), Cryyyy cryyyy  
Cry (cry), Cry (cry), Cryyyy cryyyy

Never thought that we'd be where we are (nooooo)  
Always thought that we would reach the stars (yeaa)  
I guess you just weren't capable  
Of being truly faithful  
But it's all good cause now I know who you are

You say you, found somebody new (now you don't want me, noo ohh  
)

Hope she do, the same thing to you (I hope that she makes you..  
.)

Cry (cry), Cry (cry), Cryyyy cryyyy  
Cry (cry), Cry (cry), Cryyyy cryyyy  
Cry (cry), Cry (cry), Cryyyy cryyyy  
Cry (cry), Cry (cry), Cryyyy cryyyy

Think of everything you put me through  
Now imagine you in the position but beings? onto you  
Never thought that we would end this way  
And I'm sorry babe but karma's coming back in the worst way  
I know the vagant thing to do would be just to forgive you  
But I'm sorry baby cause I already too  
Now I hope you realize that telling me all those lies  
Is gonna be the thing that's gonna (Make Ya)

Cry (cry), Cry (cry), Cryyyy cryyyy  
Cry (cry), Cry (cry), Cryyyy cryyyy  
Cry (cry), Cry (cry), Cryyyy cryyyy  
Cry (cry), Cry (cry), Cryyyy cryyyy
