Yuppie poofters puncin' round, yuppie sheilas look like dogs,
The kind you wouldn't f**k on a footy trip, no hang on, yes you

Well anyhow look I don't even know what yuppie means, and I hat

And when I told 'em I was gonna sing 'em a couple'a f**k songs
I
nearly choked the bloke
That was supposed to introduce me, to them yuppies while I sung
,
So I walked out and introduced meself said "G'day, I'm a cunt.
I'm a caring understanding nineties type, (cunt)
You can call me 'cunt', (cunt) but that's alright,
Ask anyone who knows me been a, cunt all me life,

Well you could'a heard a faggot fart but that shut them yuppies
up,
And I said I hope I hadn't made a f**kin' prick'a meself about

But if you's wanna join in I'll sing it again, and explain just

To be a caring understanding nineties type.

You can call me 'cunt', (cunt) but that's alright,
Ask anyone who knows me been a, cunt all me life,

Ask anyone who knows me been a, cunt all me life,
I'm a caring understanding nineties type. (Cunt)
