

He Only Comes Once a Year

Kevin Bloody Wilson

He only comes once a year, may as well be down the chimney,
He wouldn't have a good fuck in him, he's a soft cock he's a do
pe,
And he only comes once a year, and he thinks them kids are his
And he's just like Father Christmas 'cause he only comes once a
year.

Can't even get it up, the muscle's missin' in the middle,
It's just a useless piece'a gristle, danglin' from his gut,
Or he's just too fuckin' drunk, to make his sausage sizzle,
And he's just like Father Christmas 'cause he only comes once a
year.

He only comes once a year, may as well be down the chimney,
He wouldn't have a good fuck in him, he's a soft cock he's a do
pe,
And he only comes once a year, and he thinks them kids are his
And he's just like Father Christmas 'cause he only comes once a
year.

Most times he's just too drunk, or just too fuckin' lazy,
He don't respect them babies, as someone else's kids,
But if it weren't for his mates, servicin' her daily
His ol' lady'd go crazy 'cause he only comes once a year.

He only comes once a year, may as well be down the chimney,
He wouldn't have a good fuck in him, he's a soft cock he's a do
pe,
And he only comes once a year, and he thinks them kids are his
And he's just like Father Christmas 'cause he only comes once a
year.

Yeah he only comes once a year, it may as well be down the
chimney,
He wouldn't have a good fuck in him, he's a soft cock he's a do
pe,
And he only comes once a year, and he thinks them kids are his
And he's just like Father Christmas 'cause he only comes once a
year.

He's just like father Christmas 'cause he only comes once a yea
r.

Yeah he's just like father Christmas 'cause he only comes once
a
year.
