

# Big Love

Kevin Drew

I decided God was  
No longer in my bed  
Big love is dead love  
Big love is dead love

Big love is dead love  
Big love is dead love  
Big love is dead love  
Big love is dead love

And I decided God was  
No longer in my bed  
Big love is not love  
Big love is not love

Dead love is not love  
Dead love is not love  
Dead love is not love  
Dead love is not love

Big love is dead love  
Big love is dead love  
Big love is dead love  
Big love is dead love
