Big Timer

Kevin Rudolf

```
R: I thought I told ya'll
   I was living like that
   So high I could never go back
   What if I never put it all on the line
   To be a big timer

To be a big timer

A little boy
With bigger dreams
In a world with nothin is ever what it seems
Had found a way
So I play guitar
But I never knew I would make it far
Now I rocking shows (rock shows)
And droping beats (beats)
Goin places where I was told
That wouldn't reach
Like a rocket ship
To outer space
And everybody who doubted me
I'm on my way

R: (2x)

Big timer
To be a big timer

Now I know
What I'm supposed to do
Turn around and give it all to you
So stick a ride
Say goodbye
And now it's time to leave it all behind
But I'll never change
I'm hitting everything
Gettin the time of my life
(I just gotta get it (2x))
If I make it through the night

R: (2x)

And now I'm my way
To make to a better place

R: (2x)

BIG TIMER
(7x)

Take a ride
And say goodbye
Now it's the time
To leave it all behind
