

Didn't I Tell You

Keyshia Cole

So while you going out having your fun, I should sit here waiting for you?
All this time I've invested in you baby, now you getting your dubs.
And making your runs and popping your drink.
And having your fun.
But see it's ok.
Cuz what goes around comes around.
It's always been that way.

Didn't I tell you I was gonna be the one? (Be the one)
Be the one and when it's all done boy... (She can't love you like I do)
Didn't I tell you boy?
Didn't I tell you?
Didn't I tell you?
Didn't I tell you?
Didn't I tell you boy?

So now the sun coming up you wanna change.
But I ain't sitting up and crying s***.
So while you rolling out doing your thing.
I'll be popping my bottles.
Rolling round clubs.
Hanging wit me girls.
I'll be having my fun.
Cuz I don't deserve all the games you play.
Now you coming back this way.
But...

Didn't I tell you I was gonna be the one? (Be the one)
Be the one and when it's all done boy... (Boy, she can't love you like I do)
Didn't I tell you boy?
Didn't I tell you? (Yeah yeah yeah yeah)
Didn't I tell you? (Yeah yeah yeah yeah)
Didn't I tell you? (Yeah yeah yeah yeah)
Didn't I tell you boy?

You going out knowing everybody's watching.
But she could never be me and you know it baby.
The proff is in the puddin.
Ain't no way to hide it.
(Didn't I tell you boy)

You thinkin you got her stuck, you must be smoking.
She got alot of money too.
She ain't no joke man.
We raised her good.
She got the game before the fame.
Keyshia Cole, ain't nothing changed.
You know her name.
You see her ridin something clean.
Lookin hella fly.
I know you heard, she changed her mind.
I'm bout to tell you why.
She ain't staying at the house.
She going out.
To some exclusive s*** that you don't know about.
She won't be curled up crying wit a broke heart.
She bout to get dressed and go hard.

And if you wanna run the streets chasing hoes, dude she'll be out chillin cuz you ain't doin
what you suppose to.

Didn't I tell you I was gonna be the one? (Yeah, be the one)
Be the one and when it's all done boy... (Boy, she can't love you like I do)
Didn't I tell you boy?
Didn't I tell you? (Yeah yeah yeah yeah)
Didn't I tell you? (Yeah yeah yeah yeah)
Didn't I tell you? (Yeah yeah yeah yeah)
Didn't I tell you boy?
