

I've Been High

Khia

I've been (smokin')
I've been (drinkin')
I've been (swervin')
Smokin' weed all day
I've been (ridin')
I've been (smilin')
I've been (swervin')
Smokin' weed all day
I've been (chillin')
I've been (laughin')
I've been (jokin')
Smokin' weed all day
I've been (lovin')
I've been (drinkin')
I've been high smokin' weed all day

I get high
Just smoke all day
Higher than a motherfucker
Smoke my problems away
I don't give a fuck
I just stay and get high
I smoke a whole half an ounce
Have me feelin' just fine
I got bills, and they ain't goin' no where
But when I'm higher than a bitch, shit, I really don't care
I just chill, smoke, and roll through the hood
Fresh and clean, smokin' green with the niggas and thugs
I've been high

I've been (smokin')
I've been (drinkin')
I've been (swervin')
Smokin' weed all day
I've been (ridin')

Go to the club, just don't give a fuck
Smokin' weed with the niggas and thugs
They rollin' up, with they weed, my weed, they weed, it's weed, much weed
We gettin' high and watchin' time fly
When we higher than a bitch, problems off my mind

Lookin for that nigga tryin' to find his truck
Stop to the store, and cop a box of blunts
And get higher than a bitch then ya pull your stunts
They hit the road, you know where he's at
A matter fact you better put your cat on your lap
She's goin down, oh yes it's time to clown
While your higher than a bitch catch 'em have that sound
