

Too Loud... Too Old

Kick Axe

1 - 2 - 1 - 2 - 3 - 4

Well this ain't Heaven and this ain't Hell

Just somewhere in between

An awesome sight, it's dynamite

Like nothing that you've ever seen

With a mighty roar, fists to the floor

Don't blame it on the toys

Don't blame it on the noise

Blame it on the boys

If it's too Loud you're too old

If it's too Loud you're too old

I rip another note from my throat

A screaming guitar wails

Ears will bleed it's guaranteed
