

# Day 'n' Nite

Kid Cudi

Jones...

We born to die so I get high just like im born to fly (to the moon)  
Im in the court with marijuana eyes (sorry judge)  
We hit the clubs until the morning rise ('cause of last nite)  
'cause day n nite  
We run the streets hope I don't pay that price (pray for me)  
They got the nerve to tell me press my brakes  
And if I do then how will rent get paid,paid  
So now im thinking that  
200 stacks what would it bring me back (thinking to flip)  
Especially now that recessions here (it's hard out here)  
My only answers to my questions is is  
Ok now here's a thought (1 more thought)  
Streets is a marriage that you cant divorce  
Life is a bitch but I think I fell in love  
So I tread the game just like i'm selling drugs drugs

Cause day and night

The lonely stoner seems to free his mind at night  
He's all alone, through the day and night  
The lonely loner seems to free his mind at night (at, at, at night)  
Day and night  
The lonely stoner seems to free his mind at night  
He's all alone some things will never change (never change)  
The lonely loner seems to free his mind at night (at, at, at night)

Day and night

I toss and turn, I keep stressing my mind, mind  
I look for peace but see I don't attain  
What I need for keeps this silly game we play .. play  
Now look at this  
Madness to magnet keeps attracting me, me  
I try to run but see I'm not that fast  
I think I'm first but surely finish last .. last

Hold the phone

The lonely stoner, mr. solo dolo  
He's on the move can't seem to shake the shade  
Within his dreams he see's the life he made .. made  
The pain is deep  
A silent sleeper you won't hear a peep, peep  
The girl he wants don't seem to want him too  
It seems the feelings that she had are through .. through

Slow-mo  
When the temple slows up and creates that new, new  
He seems alive though he is feeling blue  
The sun is shining man he's super cool, cool  
The lonely nights  
They fade away he slips into his white nights  
He smokes a clip and then he's on the way  
To free his mind in search of  
To free his mind in search of  
To free his mind in search of
