

# Only God Knows Why

Kid Rock

**E**

I've been sittin here

**G**

Tryin to find myself

**A**

I get behind myself

**E**

I need to rewind myself

Lookin for the payback

**G**

Listen for the playback

**A**

**E**

They say that every man bleeds just like me

And now I feel like number one

**G**

Yet I'm last in line

**A**

I watch my youngest son

**E**

And it helps to pass the time

**G**

I take too many pills it helps to ease the pain

**A**

**E**

I made a couple of dollar bills still I feel the same

Everybody knows my name

**G**

They say it way out loud

**A**

A lot of folks fuck me

**E**

It's hard to hang out in crowds

I guess that's the price you pay

**D**

To be some big shot like I am

**A**

Outskirt stands and one night stands

**E**

**C#m**

Still I can't find love

**F#m**

**C#m**

And when your walls come tumbling down

**F#m**

**A**

I will always be around

**E G D A E (2x) C#m**

**F#m**

**C#m**

And when your walls come tumbling down

**F#m**

**A**

I will always be around

**E**

**G**

People don't know about the things I say and do

**D**

**A**

**E**

They don't understand about the shit that I've been through

**G**  
 It's been so long since I've been home  
**A** **E**  
 I've been gone....I've been gone for way too long  
**E** **G**  
 Maybe I forgot all things I miss  
**A** **E**  
 Oh somehow I know there's more to life than this  
  
 I said it too many times  
**G**  
 And I still stand firm  
**A**  
 You get what you put in  
**E**  
 And people get what they deserve  
  
 Still I ain't seen mine  
**D**  
 No I ain't seen mine  
**A**  
 I've been giving just ain't been gettin  
**E**  
 I've been walking down that line  
  
 So I think I'll keep on walking  
**G**  
 With my head held high  
**A** **E**  
 I'll keep moving on and only God knows why  
**E** **G**  
 Only God.....only God  
**A** **E**  
 Only God knows why  
**E** **D** **A** **E** **D A**  
 Only God....knows....why why why only God knows why  
**E** **D A**  
 Take me to the river's...edge  
**E** **D A**  
 Take me to the river...hey hey hey  
  
**D A E**
