Kid Sister

Ladies in the front row touch them toes  
Fellas in the back get the bank roll  
Twirk, Roll, Stop, Control x2

On the band up put your drinks to the sky  
Bartender refill the wine  
Then, then break and repeat the rhyme  
Wanna, wanna freak and pick the alpine  
If you get Shamay for Alazae  
or Lisa, Angie, Canbraney  
Or nobody if you ain't tryna stay poor  
Everybody that's what I came for  
I'm a rider that's why I play more  
Juke, more bounce, more club, more wave core  
A southsider, that's why I stay more thump, more club, more bass  
More flavor  
You know, all the shit that we be on  
What my baby hit me on, what my baby see me on  
I stay dipped in baby phat and benetton  
Every day, all the time, Chi-town every time

From the beach to the lot to the club to the grocery  
Kid sis run shit don't hold me  
Back man, nah man, I'm posted  
Up in the vip room, I got mimosas  
Wanna let me flow, get down go ahead  
We finnin' to rock away just like Doug did  
Badass kids birthdays at show biz

I bring the cake out, call me the hostess  
If you make paper and your mug say mean  
I might let's you fucks with my team  
Cuz I'm a mamma jamma  
My jams been clean  
I stays paid on the first and the 15th  
It's like the sound of neighbors over your head  
I got the erky-erk over the beat  
It's like the kid so major making the ends  
I got the jerky-jerk at the end of my sentence
