

# Daydreaming

Kid Sister

It's like this  
Kid Sis  
Just like this  
Kid Sis  
I can't miss

You know every time I think about you baby  
It's like a movie in my head that drives me crazy  
I try to fight it try to hide it can't contain it  
So amazing  
Like I'm daydreaming again

Like I'm daydreaming again (that's right that's right)  
Like I'm daydreaming again (that's right that's right)  
Like I'm daydreaming again (that's right that's right)  
Like I'm daydreaming

You know the love I want to give you so untouchable  
I wanna feel you gotta feel you wanna touch a soul  
I wanna let you know the meaning of forever  
We'll be here until ties we made are severed

Like I'm daydreaming again (that's right that's right)  
Like I'm daydreaming again (that's right that's right)  
Like I'm daydreaming again (that's right that's right)  
Like I'm daydreaming again (that's right that's right)  
Like I'm daydreaming

Daydreaming in love with you  
Soon as I wake up I'mma do  
Think about one thing we could do  
Said maybe a weekend rendezvous  
I meant you  
Run around suckers like twenty-twos  
I'm on to you  
Try act cool like Fonzie do (ehh)  
Warning you  
Nookie transforming you  
Running out to tell your crew  
That I'm the truth  
Be about it don't act new  
Be about don't act new

I can't get enough of you baby  
I need you so much that it's driving me crazy  
Crazy (crazy)  
Crazy (crazy)  
Need you so much that it's driving me crazy  
Crazy (crazy)  
Crazy (crazy)  
I need you so much  
I need you  
I need you
