

# Bad Blood

KIDZ BOP Kids

Cause baby now we got bad blood  
You know it used to be mad love  
So take a look what you've done  
Cause baby now we got bad blood, hey  
Now we got problems  
And I don't think we can solve 'em  
So take a look what you've done  
And baby now we got bad blood, hey  
Did you have to do this?  
I was thinkin' that you could be trusted  
Did you have to ruin?  
What was shiny now it's all rusted  
Did you have to hurt me?  
Where I'm weak baby I couldn't breathe  
And rub it in so deep  
Saltin' the wound like you're laughin' right at me  
Oh, it's so sad to think about the good times you and I  
Cause baby now we got bad blood  
You know it used to be mad love  
So take a look what you've done  
Cause baby now we got bad blood, hey  
Now we got problems  
And I don't think we can solve 'em  
So take a look what you've done  
And baby now we got bad blood, hey  
Did you think we'd be fine?  
I don't think I want you back in my life  
So don't think of wounds they last and they last  
How did you think it all through?  
All these things will catch up to you  
And time can heal but this won't  
So if you're comin' my way, just don't  
Oh, it's so sad to think about the good times you and I  
Cause baby now we got bad blood  
You know it used to be mad love  
So take a look what you've done  
Cause baby now we got bad blood, hey  
Now we got problems  
And I don't think we can solve 'em  
So take a look what you've done  
And baby now we got bad blood, hey  
Band aids don't fix don't you know?  
You say sorry just for show  
If you like that, you live with gold  
If you love like that, blood runs cold  
Cause baby now we got bad blood  
You know it used to be mad love  
So take a look what you've done  
Cause baby now we got bad blood, hey  
Now we got problems  
And I don't think we can solve 'em (think we can solve them)  
So take a look what you've done  
And baby now we got bad blood, hey
