

## Blank Space

KIDZ BOP Kids

Nice to meet you, where you been?  
I could show you incredible things  
Magic, madness, heaven, sin  
Saw you there and I thought  
Oh my God, look at that face  
You look like my next mistake  
Love's a game, wanna play?

New money, suit and tie  
I can read you like a magazine  
Ain't it funny, rumors fly  
And I know you heard about me  
So hey, let's be friends  
I'm dying to see how this one ends  
Grab your backpack and my hand  
I can make the bad guys good for a weekend

So it's gonna be forever  
Or it's gonna go down in flames  
You can tell me when it's over  
If the high was worth the pain  
Got a long list of ex-others  
They'll tell you I'm to blame  
'cause you know I love the players  
And you love the game

'cause we're young and we're reckless  
We'll take this way too far  
It'll leave you breathless  
Or with a nasty scar  
Got a long list of ex-others  
They'll tell you I'm to blame  
But I've got a blank space, baby  
And I'll write your name

Cherry lips, crystal skies

I could show you incredible things  
Stolen kisses, pretty lies  
You're the King, baby, I'm your Queen  
Find out what you want  
Be that way for a month  
Wait, the worst is yet to come, oh no

Screaming, crying, perfect storms  
I can make all the tables turn  
Rose garden filled with thorns  
Keep you second guessing like "Oh my God, who is she?"  
I got lost on jealousy  
But you'll come back each time you leave  
'cause, darling, I'm a nightmare dressed like a daydream

So it's gonna be forever  
Or it's gonna go down in flames  
You can tell me when it's over  
If the high was worth the pain  
Got a long list of ex-others

They'll tell you I'm insane  
'cause you know I love the players  
And you love the game

'cause we're young and we're reckless  
We'll take this way too far  
It'll leave you breathless  
Or with a nasty scar  
Got a long list of ex-others  
They'll tell you I'm to blame  
But I've got a blank space, baby  
And I'll write your name
