

I came to win, to fight, to conquer, to thrive, i came to win, to survive, to prosper, to rise, To fly, to fly. I wish today it will rain all day, maybe that will kinda make the pain go away, trying to forgive you for abandoning me, praying but i think i am still an angel away, angel away yeah strange in a way. maybe that is why i chase strangers away. they got them guns out aiming at me, me, me, me against them, me against enemies, me against friends. somehow they both seem to become one, a sea full of sharks and they all smell blood. they start coming and i start rising, must be surprising, i'm just summing, i win, thrive, soar, higher, higher, higher, more fire. I came to win, to fight, to conquer, to thrive, i came to win to survive, to prosper to rise, To fly, to fly. yo yo, Everybody wanna try to box me in, suffocating everytime it locks me in, painting they own pictures then they crop me in, but i will remain where the top begins, cause i'm not a word i'm not a line, i'm not a girl who could ever defined, i am not fly, i am levitation, i represent an entire generation, i hear criticism loud and clear, that is how i know the time is near, so we become alive in a time of fear and i ain't got no mother\*\*\*\*\* time to spare. Cry my eyes out for days upon days such a heavy burden placed upon me, but when you go hard your nay's become yay's, yankee stadium with jay's and kanye's i came win to fight, to conquer, to thrive. i came to win, to survive, to prosper, to rise, To fly, to fly, get ready for it, get ready for it, get ready for it, i came to win, get ready for it, get ready for it, get ready it, i came to win, to fight, to conquer, to thrive, i came to win, to survive, to prosper to rise, To fly, to fly.
