

We Found Love

KIDZ BOP Kids

Yellow diamonds in the light
and we're standing side by side
as your shadow crosses mine
what it takes to come alive
it's the way i'm feeling
i just can't deny
but i've got to let it go

we found love in a hopeless place (repeat 5x)
(DJ)
shine a light through and open door
Love and life i will divide
turn away cause i need you more

feel the heartbeat in my mind
its the way i'm feeling
i just can't deny
but i've got to let it go

we found love in a hopeless place (repeat 5x)
(DJ)
shine a light through and open door
Love and life i will divide
turn away cause i need you more
