Backwood lickin'
Propane drippin'
Cocaine sniffin'
Got my dopemang trippin'
Back-backwood lickin'
Propane drippin'
Cocaine sniffin'
Got my dopemang trippin'

Daddy called, he trippin'
Key's in the ignition
Nightmare that I'm whippin', yeah
Big buzz and I flip it, yeah
Woke up on your couch
Three strikes and you're out
Push your head down south for me
We don't need no referee

If you fuck with me, I fuck with you
We do whatever we wanna do
Only touch me if I want you to
Cocaine sniffin', got my...
Fuck with me, and I fuck with you

Backwood lickin'
Propane drippin'
Cocaine sniffin'
Got my dopemang trippin'
Fuck with me, and I fuck with you
Backwood lickin'
Propane drippin'
Cocaine sniffin'
Got my dopemang trippin'
Fuck with me, and I fuck with you
Backwood lickin'
And I'm propane drippin'
My cocaine sniffin'
Got my dopemang trippin'
Backwood lickin'
And I'm propane drippin'
My cocaine sniffin'
Got my dopemang trippin', yeah

Blue pills, I grip 'em
All these Woods, gon' take 'em
Wolfgang, I'll flip 'em
Money got us drippin', yeah
I do this for my family
Who's got the recipe?
This shit ain't fly enough
Airplanes ain't high enough

You fuck with me, I fuck with you
We do whatever we wanna do
Only touch me if I want you to
Cocaine sniffin', got my...
Fuck with me, and I fuck with you

Backwood lickin'
Propane drippin'
Cocaine sniffin'
Got my dopemang trippin'
Fuck with me, and I fuck with you
Backwood lickin'
Propane drippin'
Cocaine sniffin'
Got my dopemang trippin'
Fuck with me, and I fuck with you
Backwood lickin'
