Killing Heidi

Black mascara smudges your face
You sit in your grassy place
The grass is oh so greener on the other side
but then I wonder why

Its never gonna be that way
cause you got a pretty face
Not gonna be one of those girls
Dont wanna live in that world

Does popularity come with the makeup case
just think of all the time you waste
see the sporties get their prizes
as we hid in the faculties dimises

Its never gonna be that way
cause you got a pretty face
Not gonna be one of those girls
Dont wanna live .. Dont wanna live .. Dont wanna live

Its never gonna be that way
cause you got a pretty face
Not gonna be one of those girls
Dont wanna live .. Dont wanna live .. Dont wanna live .. Dont w
anna live

Its never gonna be that way
cause you got a pretty face
Not gonna be one of those girls
Dont wanna live in that world
