

Take It

Killing Heidi

You feel yourself alight then let go
Dream of yourself tonight
Then I know
So where's the way you tried
Then I know
You feel yourself, you're too light to let go

So take it away from me
I don't wanna see
I can hardly
I can hardly
I can hardly see it

You feel yourself alight then let go
Dream of the world tonight
The one I know
You see her fly high
Now you know
And you feel it now
You're too light to let go

So take it away from me
I don't wanna see it
I can hardly
I can hardly
I can hardly
Take your pain away from me
Now I, I don't wanna see it
No I don't wanna see it
I don't wanna see

Take your pain away from me
Now I, I don't wanna see it
No I don't wanna see it
No I don't wanna see
Take your pain away from me
Now I, I don't wanna see it
No I don't wanna see it...

Don't you really wanna be the one to make it
Don't you just wanna find your bit and take you
How do I have to try and make you feel my love
How? Please and then you'll see no forgiveness
How you're gonna get me this with no witness
Don't you need somebody to sit and free your love
Sit and free your love
Sit and free your love
Sit and free your love
Your love...

Take it away from me
I don't wanna see it
No I don't wanna see
